

BENGAL COLLEGE OF ENGINEERING & TECHNOLOGY
Durgapur - 713212

BCET/G-49/18

Date: 23.05.2018

NOTICE

All the students (B.Tech, MBA, MCA, BBA, BCA) are informed that Ministry of Drinking Water and Sanitation in association with MHRD, Govt. of India has launched the “**Swachh Bharat Summer Internship – 100 of Swachhata**”. The programme aims to engage youth to develop their skill and orientation for sanitation related work. The 100 hour experimental internship program would require the candidate to visit one or more villages and conduct activities of their choice to contribute to the cause of rural sanitation. Hence students are encouraged to register themselves on the URL <https://sbsi.mygov.in>.

All participants will be given certificate. Best interns will be recognized and presented with cash awards. For more details please visit <https://sbsi.mygov.in>.
