

ABOUT SKS GROUP OF INSTITUTIONS

The 1980s marked the establishment of SKS Group. Three half decades later, today SKS Group is renowned with operations in several parts of the country and core competencies in Turnkey Heavy Material Management Solutions, Agro Sector and Higher Technical, Management, Pharmacy, Hospitality and Health Care Education.

In the year 2001 when there was dearth of education all over the country, and when approached by the local administration, Shri S K Sharma dared to invest in the non-profitable noble cause of setting up of educational institutions for the good of the society in the industrial city of Durgapur, which at that time was severely suffering from the closure of several large scale industries in the region. The inauguration of Bengal College of Engineering and Technology marked the beginning of SKS Group of Institutions at Durgapur in the year 2001. Soon thereafter, a full fledged English Medium school in the name of SKS Public school was established in Mangalpur, Raniganj in West Bengal, where there were hardly any facilities of English Primary education available.

Within a decade, SKS Group of Institutions has established itself as a brand to reckon with fifteen educational institutions situated at Campus Durgapur in West Bengal in the Eastern India and at Campus Mathura, Uttar Pradesh in the Northern India with enrollment of over 15000 students and with a track record of 11000 Alumni, placed in top notch Multinational Companies, Research Institutions of the country.

SKSGI has created a benchmark of excellence in the field of education by provisioning State of Art infrastructure and dedicated faculty. SKSGI is dedicated for training future technocrats and managers, where students not only gain university degree but also develop cognitive skill for prized placement with leading industries in congenial environment.

The Technical Institutions under the banner of SKSgi are approved by All India Council for Technical Education (AICTE) and are affiliated to concerned State Universities / State Council and the schools are affiliated to Central Board of Secondary Education (CBSE), New Delhi.

ABOUT DURGAPUR

Durgapur is located in the district of Paschim Burdwan, in the state of West Bengal, India. It is a well planned industrial city on the banks of river Damodar. It was founded in the late fifties by the then Chief Minister of West Bengal Dr Bidhan Chandra Roy. It is about 175 Kms away from the international airport Kolkata, capital city of West Bengal. Durgapur lies on the main railway line connecting Kolkata and New Delhi and is extremely well connected to both these cities.

Durgapur houses a large number of manufacturing industries which includes Durgapur Steel Plant (DSP), Alloy Steel Plant (ASP), GE Vernova, Graphite India Ltd, Durgapur Projects Ltd., Durgapur Thermal Power Corporation, Philips Carbon Black Ltd, Graphite India Ltd, Jai Balaji Group, Shyam Ferro Alloys, Adhunik Metaliks etc.

It is also having software technology park of India consisting of various software firms like Pinnacle InfoTech Solutions. The DPL and DTPS are the main power suppliers of Durgapur City. The City hardly has any power cuts round the year which certifies the development of Durgapur. It has an ambient environment conducive for studies and is the reason for attracting a large number of outstation students. The well built, well lit roads add to the strong infrastructure of Durgapur. At the present day, Durgapur city is evolving as one of the major attractions (after Kolkata) in West Bengal, not only because of its excellent infrastructure, but availability of all modern entertainment and health avenues, like shopping malls, multiplexes, five star hotels, specialty hospitals, etc. The Bengal Hospital at Durgapur is conceived to be the state-of-the-art super specialty hospital with cutting edge technology and sophisticated equipments for all round health care. Junction mall is going to be the biggest mall in Durgapur as well as in the rest of the Bengal (excluding Kolkata). The only Aerotropolis of its kind in India is located in Andal, nearby to Durgapur is expected to bring in large number of niche knowledge base industries of international recognition.

ABOUT CAMPUS DURGAPUR

Built across a vast area the aesthetically built campus is full of vibrant learning atmosphere and greenery for which one will instantaneously fall in love with the campus. The campus provide a learner focused environment where the future managers and technocrats are groomed for the all round development.

Located in the heart of industrial city of Durgapur, the Campus is only 175 kms away from Kolkata. A two and half hours drive is what it takes to reach the campus from Kolkata. It is only 5 kms away from the Durgapur Railway station. The city is well connected by Indian Railways (Eastern Railway) with direct route to New Delhi and India's some of the most important cities. Many luxury buses also ply regularly through Durgapur and Kolkata. The National Highway (NH#2) passes through Durgapur.

There are more than six institutions located at Campus Durgapur which houses the Institute's Administrative and the Academic buildings, excellent laboratories with world class equipments, superb computing facilities, modern classrooms, central auditorium for multipurpose use, volley ball courts, separate halls of

residences for boys and girls, play grounds, basketball courts, provision of filtered drinking water, high speed internet connectivity, Directors bungalow, Faculty Flats etc. The land and all infrastructure facilities for each college are earmarked and are separate.

SKSgi's Campus Durgapur is surrounded by Best Schools (Durgapur Public School, St Xavier's, St Michael, Carmel School, Kendriya Vidyalayas etc) , Hospitals (Bengal Hospital, Mission Hospital, Vivekanand Hospital, ESI Hospital, Sub-Divisional Hospital), Residential Complexes, Community Halls, Restaurants, Hotels, Multipurpose Stores like Spencer's, Modern Eateries and Entertainment avenues to name a few. SKSgi Campus Durgapur is networked with major locations with local bus routes and other modes of modern transport. It is now a landmark in the Durgapur-Asansol region making it the preferred destination for higher studies.
