

BENGAL COLLEGE OF ENGINEERING AND TECHNOLOGY DURGAPUR INCUBATION CELL

Incubation Cell – Overview & Structure

1. About

The Incubation Cell serves as a dedicated platform to nurture innovative ideas and entrepreneurial spirit among students and faculty. It provides a supportive ecosystem that helps transform promising concepts into viable start-ups by offering mentorship, infrastructure, networking opportunities, and guidance on business development. Acting as an early-stage enabler within the institutional start-up ecosystem, the Cell bridges the gap between academic learning and real-world enterprise creation.

2. Objectives

1. To foster a culture of innovation and entrepreneurship among students and faculty members.
2. To identify, mentor, and support promising ideas and convert them into sustainable start-ups.
3. To provide infrastructure, technical guidance, and networking opportunities for incubates.
4. To strengthen industry-academia collaboration and create pathways for commercialization of innovations.
5. To organize workshops, seminars, and awareness programmes on entrepreneurship, funding schemes, and business planning.
- 6.

3. Roles

- **Incubation Manager:** Overall coordination, strategic planning, and day-to-day management of incubation activities.
- **Convener:** Convening meetings, monitoring progress, and ensuring alignment with institutional goals.
- **Members:** Supporting evaluation of proposals, mentoring teams, organizing events, and facilitating industry linkages.
-

4. Responsibilities

- Screening and selecting innovative ideas and start-up proposals for incubation support.
- Providing mentorship, technical guidance, and access to institutional resources and facilities.
- Organizing capacity-building programmes, pitch sessions, and networking events with industry experts and investors.
- Assisting incubatees in business model development, legal formalities, and funding opportunities.
- Maintaining records of activities, tracking progress of incubated ventures, and submitting periodic reports.
-

5. Members of the Incubation Cell Committee
