Outcome: Nutritious food and refreshments were distributed among orphan children. The programme fostered empathy, kindness, and social commitment among students while bringing joy and support to the beneficiaries.	
Description of the Event / Activity – The NSS Cell of Bengal College of Engineering and Technology (BCET), Durgapur organized a Food Distribution Program for Orphans on 05 October 2023 in collaboration with Mother Teresa Christian Missionaries as part of its commitment to social service and community welfare. The programme was conducted with the objective of extending care, compassion, and support to orphaned children while promoting humanitarian values among students. The event witnessed active participation from NSS volunteers, faculty members, and representatives of Mother Teresa Christian Missionaries. Prior planning and coordination were undertaken to ensure the smooth execution of the programme and effective distribution of food among the beneficiaries. NSS volunteers enthusiastically contributed their time and efforts in organizing the event and interacting with the children. During the programme, nutritious food packets and refreshments were distributed among the orphan children. The volunteers personally served the meals and spent quality time with the children, creating a warm, friendly, and joyful atmosphere. Beyond food distribution, the programme focused on providing emotional support, encouragement, and companionship to the children. The collaboration with Mother Teresa Christian Missionaries played a vital role in identifying the beneficiaries and ensuring the successful implementation of the programme. The joint effort highlighted the significance of institutional and community partnerships in addressing social	

needs and promoting humanitarian service.

The activity provided students with an opportunity to understand the challenges faced by underprivileged children and inspired them to develop empathy, kindness, and a spirit of selfless service. Through direct interaction with the children, the volunteers gained valuable life experiences and recognized the importance of contributing to society beyond academic pursuits.

The programme was highly appreciated by all participants and beneficiaries. The smiles and happiness on the faces of the children served as a source of inspiration for the volunteers and reinforced the values of compassion, humanity, and social responsibility.

Conclusion

The **Food Distribution Program for Orphans**, organized on **05 October 2023** by the NSS Cell of BCET in collaboration with **Mother Teresa Christian Missionaries**, was a meaningful outreach initiative that successfully promoted community service, empathy, and social responsibility. The programme provided support and care to orphaned children while instilling humanitarian values among students, thereby contributing to the broader mission of social welfare and inclusive development.
