

Title of the Event/Activity - Paper Drive Campaign	
Organizing Body - NSS Cell, Bengal College of Engineering and Technology (BCET), Durgapur.	
Organizer's Head – Gopal Chandra Das, NSS In-Charge, BCET	
Collaborating Agency(if any); -NIL	
Resource Person/ Speaker – Not Applicable	
Date 08/10/2023	Duration: - One Day
Venue - Residential Areas within 1 km Radius of BCET Shubhaspolly & Shilpakanan, Durgapur	Mode –Offline
Activity Category: - Extension and Outreach Activity.	
Type of Activity - Environmental Awareness and Community Service Programme.	
Target Participants - NSS Volunteers, Student.	
Total Number of Participants - 37 Student Volunteers, 10 Faculty Members and around 150 Students from different year.	
Objective: To promote paper recycling and environmental awareness while generating funds through the sale of recyclable paper materials for supporting economically weaker and needy individuals before the Durga Puja festival.	
Outcome: Significant quantity of waste paper was collected and recycled. Funds generated were utilized for the welfare of underprivileged people. The activity enhanced environmental consciousness, social responsibility, and community engagement among students.	
Description of the Event / Activity –	
The NSS Cell of Bengal College of Engineering and Technology (BCET), Durgapur organized a Paper Drive Campaign on 08 October 2023 in the nearby residential areas within approximately a one-kilometer radius of the college campus. The activity was conducted before the Durga Puja festival with the objective of promoting environmental sustainability and supporting community welfare. NSS volunteers and students carried out door-to-door visits to households and local establishments to collect old newspapers, magazines, books, notebooks, cartons, and other recyclable paper materials. During the campaign, volunteers also created awareness among residents regarding the importance of waste segregation, recycling, and environmental conservation. The initiative received an encouraging response from the local community, resulting in the collection of a substantial quantity of recyclable paper waste. The collected materials were segregated and sold to authorized recycling vendors. The funds generated from the sale were utilized to provide support and assistance to economically weaker and needy individuals before the festive season. The activity successfully combined environmental protection with social service and provided students with practical exposure to community engagement, teamwork, and social responsibility.
