

Title of the Event/Activity - Paper Drive Campaign – 2025	
Organizing Body - NSS Cell, Bengal College of Engineering and Technology (BCET), Durgapur.	
Organizer's Head – Gopal Chandra Das, NSS In-Charge, BCET.	
Collaborating Agency(if any); - NIL	
Resource Person/ Speaker – Not Applicable.	
Date 21/09/2025	Duration: - One Day
Venue - Nearby Residential Areas and Local Communities around BCET(Bidhan Park & Pump House), Durgapur.	Mode –Offline
Activity Category: - Extension and Outreach Activit.	
Type of Activity - Environmental Conservation and Community Service Programme.	
Target Participants - NSS Volunteers, Students.	
Total Number of Participants - 32 Student Volunteers, 8 Faculty members and 110 students from different year.	
Objective: To promote environmental sustainability through paper recycling and utilize the proceeds from recyclable waste collection to support economically weaker and needy members of the community before the Durga Puja festival.	
Outcome: Recyclable paper materials were successfully collected, recycled, and converted into resources for social welfare activities. The programme enhanced environmental awareness, teamwork, leadership qualities, and civic responsibility among participating students.	
Description of the Event / Activity –	
The NSS Unit of Bengal College of Engineering and Technology (BCET), Durgapur organized a Paper Drive Campaign on 21 September 2025 as a part of its commitment to sustainable development and community service. The activity was conducted in nearby residential areas within approximately a one-kilometer radius of the college campus prior to the Durga Puja festival. NSS volunteers and students undertook a door-to-door collection drive, gathering old newspapers, magazines, books, notebooks, cartons, and other recyclable paper materials from households and local establishments. Along with the collection process, volunteers sensitized residents about the importance of recycling and responsible waste management practices. The campaign received enthusiastic support from the local community. The collected paper materials were carefully sorted and sold to authorized recycling vendors. The revenue generated through the initiative was utilized to provide assistance, essential commodities, and festive support to economically weaker and needy members of society. The programme successfully integrated environmental conservation with humanitarian service. It helped students develop leadership, teamwork, communication skills, and a strong sense of civic responsibility while making a positive contribution to the community.
