

Title of the Event/Activity - Tree Plantation Programme – One Student One Tree	
Organizing Body - NSS Cell, Bengal College of Engineering & Technology (BCET), Durgapur	
Organizer's Head-Gopal Chandra Das, NSS In-Charge, BCET.	
Collaborating Agency(if any); - NIL	
Resource Person/ Speaker –Not Applicable	
Date 17/08/2025	Duration: - One Day
Venue - Sibpur	Mode –Offline
Activity Category: - Extension Activity.	
Type of Activity - Tree Plantation Drive.	
Target Participants - NSS Volunteers and Students	
Total Number of Participants –45 students and 8Faculty members.	
Objective: To promote environmental protection, encourage tree plantation among students, increase greenery, and develop long-term environmental responsibility through active participation in the “One Student One Tree” campaign.	
Outcome: The programme successfully promoted environmental awareness and resulted in the plantation of several saplings. Students developed a sense of ownership towards environmental conservation and were motivated to care for the planted trees.	
Description of the Event / Activity– The NSS Cell of Bengal College of Engineering & Technology (BCET), Durgapur organized a Tree Plantation Programme on 17th August 2025 as part of the “One Student One Tree” campaign. The programme was conducted with the objective of encouraging students to contribute towards environmental conservation and promoting awareness regarding the importance of trees in sustaining life and ecological balance. The programme was carefully planned by the NSS Cell, and students were briefed about proper plantation techniques, plant care, and environmental sustainability. The campaign emphasized the importance of individual participation in environmental protection and encouraged every student to plant and nurture at least one tree. During the plantation drive, NSS volunteers and students actively participated in planting saplings at various locations within the college premises. Awareness messages regarding environmental protection, biodiversity conservation, and the importance of green spaces were shared among participants. Students were also encouraged to monitor the growth of the planted saplings and ensure their proper maintenance. The programme served as an effective platform for promoting environmental consciousness among young students. Through direct involvement in plantation activities, participants developed a better understanding of ecological conservation and sustainable living practices. The initiative also strengthened teamwork, leadership qualities, and social responsibility among the volunteers. The programme concluded with a commitment from all participants to continue supporting
