Date –27.02.25	Duration: -2-2.5 hrs
Venue – Bengal College of Engineering and Technology ,Basketball court	Mode – offline
Activity Category: - Extra Curricular	
Type of Activity - Sports	
Target Participants - Students	
Total Number of Participants - 63	
Objective: The primary objectives of organizing the basketball matches were: 1. To motivate students to take part in organized sporting activities and maintain an active lifestyle. 2. To improve players' game awareness, coordination, communication, and ability to work together as a unit. 3. To encourage players to demonstrate commitment, punctuality, discipline, and respect for the rules of the game. 4. To give students an opportunity to demonstrate their basketball abilities in a competitive institutional setting. 5. To create a positive sporting environment that encourages healthy competition and interaction among students.	
Outcome: The basketball matches achieved several meaningful outcomes: • Active Participation: The match encouraged students to engage in a structured sporting activity and contributed to greater interest in basketball. • Better Coordination: Team-based gameplay gave participants practical experience in communication, passing, positioning, and coordinated play. • Competitive Learning: Players gained experience in handling competition while following game rules and maintaining a respectful attitude towards opponents. • Skill Exposure: The match provided a useful platform for observing individual playing abilities and identifying students who showed promise in basketball. • Positive Campus Interaction: The event brought students and faculty together around a common sporting activity and promoted a healthy and energetic campus atmosphere.	

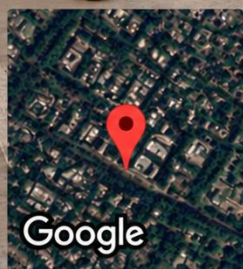

Description of the Event / Activity -

A Basketball Match between the Warrior and Garuda Boys Teams was conducted by Storm Breakers at the Bengal College of Engineering and Technology basketball court as part of the institution's extra-curricular sports activities. The event was planned to provide students with an opportunity to participate in competitive basketball while developing teamwork, game discipline, coordination, and sportsmanship. Both teams participated with enthusiasm and maintained a competitive spirit throughout the activity. The match also provided students with practical exposure to organized basketball and encouraged them to develop their sporting abilities.

- The participating teams played in a competitive format under the supervision of referees.
- The game emphasized proper teamwork, coordination, rule compliance, and fair competition.
- Faculty members and student volunteers supported the organization and smooth conduct of the activity.
- Students and faculty members witnessed the match and encouraged the participating players.
- The event concluded with appreciation for the efforts and participation of the teams.
