Description of the Event / Activity - A Girls Cricket Knockout Tournament was organized by Storm Breakers at Atleka for the academic year 2025-26, with the aim of encouraging sports participation among the girl students of the college. The tournament witnessed the enthusiastic participation of four teams, namely Royal Blue, Golden Squad, Survivor and Defender, competing against one another in a knockout format, wherein losing teams were eliminated at each stage until the finalists were determined. Each match was closely monitored, and players displayed commendable batting, bowling and fielding skills throughout the tournament, reflecting the hard work and practice put in by the teams beforehand. The event began with the opening knockout round, followed by the semi-finals, and concluded with a keenly contested final between the two strongest teams. Matches were marked by high energy, healthy competitive spirit and enthusiastic cheering from fellow students and faculty members who gathered at the venue to support the participants. Basic arrangements, including the playing ground, equipment and refreshments, were coordinated by the Storm Buster team to ensure the smooth conduct of the event. At the conclusion of the tournament, the winning and runner-up teams were felicitated with certificates/trophies in recognition of their performance and sportsmanship. Overall, the event was well received by both participants and spectators, and served as a valuable step towards building a stronger and more inclusive sporting culture for girl students at the college.
