

Title of the Event/Activity – Cricket Tournament (Boys)	
Organizing Body – Storm Breakers	
Organizer's Head – Neha Bhujal	
Collaborating Agency (if any); - Not Applicable	
Resource Person/ Speaker – Dr Gopal Chandra Das(Associate professor)	
Date –26.02.25	Duration: -2-2.5 hrs
Venue – Bengal College of Engineering and Technology ,Cricket ground	Mode – offline
Activity Category: - Extra Curricular	
Type of Activity - Sports Competition (Team Event – Cricket)	
Target Participants - Students (Boys)	
Total Number of Participants - 81	
Objective: The primary objectives of organizing the cricket tournament were: 1. To motivate students to take part in organized sporting activities and maintain an active lifestyle. 2. To improve players' game awareness, coordination, communication, and ability to work together as a unit. 3. To encourage players to demonstrate commitment, punctuality, discipline, and respect for the rules of the game. 4. To give students an opportunity to demonstrate their cricketing abilities in a competitive institutional setting. 5. To create a positive sporting environment that encourages healthy competition and interaction among students.	
Outcome: The cricket tournament achieved several meaningful outcomes: • Active Participation: The matches encouraged students to engage in a structured sporting activity and contributed to greater interest in cricket. • Better Coordination: Team-based gameplay gave participants practical experience in batting, bowling, fielding, and coordinated play. • Competitive Learning: Players gained experience in handling competition while following game rules and maintaining a respectful attitude towards opponents. • Skill Exposure: The matches provided a useful platform for observing individual playing abilities and identifying students who showed promise in cricket. • Positive Campus Interaction: The event brought students and faculty together around a common sporting activity and promoted a healthy and energetic campus atmosphere.

Description of the Event / Activity -

A Cricket Tournament for the Boys category was conducted by Storm Breakers at the Bengal College of Engineering and Technology cricket ground as part of the institution's extra-curricular sports activities. The event was planned to provide students with an opportunity to participate in competitive cricket while developing teamwork, game discipline, coordination, and sportsmanship. The participating teams played with enthusiasm and maintained a competitive spirit throughout the activity. The tournament also provided students with practical exposure to organized cricket and encouraged them to develop their sporting abilities.

- The participating teams played in a competitive format under the supervision of umpires.
- The matches emphasized proper teamwork, coordination, rule compliance, and fair competition.
- Faculty members and student volunteers supported the organization and smooth conduct of the activity.
- Students and faculty members witnessed the matches and encouraged the participating players.
- The event concluded with appreciation for the efforts and participation of the teams.
