NOTICE

All students of Bengal College of Engineering & Technology (BCET), Durgapur are hereby informed that Storm Breaker (Sports Club), BCET is organizing a Cricket Competition on Tuesday, 27th February 2024 at the BCET Ground for the Academic Year 2023-24. Students interested in taking part are requested to register their names with the Coordinator, Storm Breaker, or their respective Class Representatives at the earliest.

Cricket is a bat-and-ball team sport played between two teams of eleven players, in which the batting side tries to score runs while the fielding side tries to dismiss the batters and limit the runs scored. The event is planned as a limited-overs tournament between department-wise teams, with the objective of developing teamwork, leadership, strategic thinking and sportsmanship among students. Matches will be played on a knock-out basis as per the fixtures prepared by the club, and the team scoring more runs in each match will advance. Faculty members will act as umpires and scorers, and the winning and runner-up teams will be awarded.
