**Subject: Seeking Permission to Organize Cricket Competition**

Respected Sir,

The **Storm Breaker (Sports Club), Bengal College of Engineering & Technology (BCET), Durgapur** proposes to organize a **Cricket Competition** for the Academic Year 2025-26 at the **BCET Ground**, on **Thursday, 12th February 2026**.

Cricket is a bat-and-ball team sport played between two teams of eleven players, in which the batting side tries to score runs while the fielding side tries to dismiss the batters and limit the runs scored. The event is planned as a limited-overs tournament between department-wise teams, with the objective of developing teamwork, leadership, strategic thinking and sportsmanship among students. Matches will be played on a knock-out basis as per the fixtures prepared by the club, and the team scoring more runs in each match will advance. Faculty members will act as umpires and scorers, and the winning and runner-up teams will be awarded.

**The details of the proposed programme are given below:**
