Subject: Seeking Permission to Organize Discus Throw Competition

Respected Sir,

The **Storm Breaker (Sports Club)**, Bengal College of Engineering & Technology (BCET), Durgapur proposes to organize a **Discus Throw Competition** for the Academic Year 2023-24 at the **BCET Ground (Throwing Area)**, on **Friday, 1st March 2024**.

The Discus Throw is a field event in which participants spin within a marked throwing circle and release a heavy, flat circular disc, called the discus, to throw it as far as possible into the landing sector. The distance is measured from the inner edge of the circle to the point where the discus first lands. The event is planned with the objective of testing strength, rhythm, balance and rotational technique, and of promoting physical fitness, discipline and sportsmanship among students. Each participant will be given a fixed number of attempts, with the best valid throw counted, and a throw will be counted as a foul if the participant steps out of the circle or the discus lands outside the sector. Adequate safety distance will be maintained around the throwing area. Faculty members will act as judges, and the top three throwers will be awarded.

The details of the proposed programme are given below:

Particulars	Details
Title of the Event/Activity	Discus Throw Competition
Organizing Body	Storm Breaker (Sports Club), Bengal College of Engineering & Technology (BCET), Durgapur
Date	01/03/2024
Venue	BCET Ground (Throwing Area)
Duration	1 Day
Category	Athletics – Field Event (Throw)
