Subject: Seeking Permission to Organize Football Competition

Respected Sir,

The **Storm Breaker (Sports Club), Bengal College of Engineering & Technology (BCET), Durgapur** proposes to organize a **Football Competition** for the Academic Year 2023-24 at the **BCET Ground**, on **Monday, 12th February 2024 to Wednesday, 14th February 2024**.

Football is a team sport played between two teams of eleven players, in which each team tries to score goals by getting the ball into the opponent's goal, using any part of the body except the hands and arms, while only the goalkeeper may handle the ball within the penalty area. The event is planned as a three-day tournament between department-wise teams, with the objective of developing stamina, ball control, teamwork, strategic thinking and sportsmanship among students. Matches will be played on a knock-out basis as per the fixtures prepared by the club, and the team scoring more goals in each match will advance, with a penalty shoot-out in case of a tie. Faculty members will act as referees, and the winning and runner-up teams will be awarded.
