Description of the Event / Activity - A High Jump Competition was organized by Storm Breakers at the College Sports Ground for the academic year 2025-26, with the objective of encouraging athletic participation among students. The event witnessed enthusiastic participation from students across various departments, who competed individually to clear progressively increasing bar heights. The competition was conducted under the supervision of the Physical Education Instructor, who oversaw the event as judge and ensured that standard rules and safety protocols were followed throughout. Participants showcased good technique, determination and competitive spirit as the bar height was raised in successive rounds, with contestants being eliminated upon repeated failure to clear a height. The event generated considerable enthusiasm among the students and faculty members present, who cheered on the participants. At the conclusion of the event, the top three performers were felicitated with certificates/medals in recognition of their achievement. Overall, the competition was well organized and appreciated by all present, and contributed to promoting a stronger athletic and sporting culture within the college.
