Type of Activity	Sports Competition (Field Event – High Jump)
Target Participants	Students (Boys and Girls)
Total Number of Participants	93
Objective	To encourage students to enhance athletic ability, including take-off strength, agility, balance, coordination, and explosive leg power for clearing the bar, while building confidence, sportsmanship, and active participation of boys in the annual sports activities
Outcome	Students actively and meaningfully participated in demonstrating enthusiasm, competitive spirit, and key athletic skills such as approach-run speed, take-off control, body coordination, and safe landing. The event enriched the sporting atmosphere of Atleka and concluded with recognition of outstanding performers.
Description of the Event / Activity	As part of the annual sports activities of Athleka 23-24, Storm Buster organised the high jump competition for boys. Participants executed their jumps over the bar from a curved approach run, landing on the cushioned mat, with officials carefully observing technique and measuring valid attempts at each height. The Physical Education Department supervised the proceedings to ensure fairness and discipline, while faculty members and student volunteers assisted in event management and measurement. The competition created a vibrant sporting environment and concluded with the announcement of results and appreciation of the leading performers. With a National motto -Khelo India, Khelo.
