NOTICE

All students of Bengal College of Engineering & Technology (BCET), Durgapur are hereby informed that Storm Breaker (Sports Club), BCET is organizing a High Jump Competition on Friday, 1st March 2024 at the BCET Ground (High Jump Area) for the Academic Year 2023-24. Students interested in taking part are requested to register their names with the Coordinator, Storm Breaker, or their respective Class Representatives at the earliest.

The High Jump is a field event in which participants jump over a horizontal bar placed between two uprights, without dislodging it, and land on a safety mat. The bar is raised after each round, and participants who fail to clear a height in three consecutive attempts are eliminated. The event is planned with the objective of testing agility, body control and jumping technique, and of promoting physical fitness, discipline and sportsmanship among students. The winner will be the participant who clears the greatest height. Faculty members will act as judges, and the top three jumpers will be awarded.
