NOTICE

All students of Bengal College of Engineering & Technology (BCET), Durgapur are hereby informed that Storm Breaker (Sports Club), BCET is organizing a Long Jump Competition on Friday, 1st March 2024 at the BCET Ground (Jumping Pit) for the Academic Year 2023-24. Students interested in taking part are requested to register their names with the Coordinator, Storm Breaker, or their respective Class Representatives at the earliest.

The Long Jump is a field event in which participants sprint down a runway and take off from a board to jump as far as possible into a sand pit. The distance is measured from the take-off board to the nearest mark made in the sand. The event is planned with the objective of testing speed, strength and jumping technique, and of promoting physical fitness, discipline and sportsmanship among students. Each participant will be given a fixed number of attempts, with the best valid jump counted, and a jump will be counted as a foul if the take-off line is crossed. Faculty members will act as judges, and the top three jumpers will be awarded.
