Subject: Seeking Permission to Organize Long Jump Competition

Respected Sir,

The **Storm Breaker (Sports Club)**, Bengal College of Engineering & Technology (BCET), Durgapur proposes to organize a **Long Jump Competition** for the Academic Year 2023-24 at the **BCET Ground (Jumping Pit)**, on **Friday, 1st March 2024**.

The Long Jump is a field event in which participants sprint down a runway and take off from a board to jump as far as possible into a sand pit. The distance is measured from the take-off board to the nearest mark made in the sand. The event is planned with the objective of testing speed, strength and jumping technique, and of promoting physical fitness, discipline and sportsmanship among students. Each participant will be given a fixed number of attempts, with the best valid jump counted, and a jump will be counted as a foul if the take-off line is crossed. Faculty members will act as judges, and the top three jumpers will be awarded.
