Objective	To promote physical fitness, jumping technique, and healthy competition among students as part of Athleka 25-26, and to provide both boys and girls an equal platform to showcase their athletic ability in the long jump event.
Outcome	The long jump event saw enthusiastic participation from students in both the boys' and girls' categories. Winners were felicitated, and the event added to the overall success and sporting spirit of the Athleka 25-26 meet.
Description of the Event / Activity	As part of the annual sports meet Athleka 25-26, the sports club 'Storm Breakers' organised the long jump competition, held separately for the boys' and girls' categories. Participants took turns attempting their jumps at the sand pit, with each competitor given multiple attempts and the best distance recorded for ranking. The event was conducted under the supervision of the Physical Education Department, with faculty members and volunteers assisting in measurement and officiating. The competition generated strong enthusiasm among students and spectators alike, and concluded with the announcement of results and felicitation of the top performers in both categories.
