

Date: 05.02.2026

NOTICE

All students of Bengal College of Engineering & Technology (BCET), Durgapur are hereby informed that Storm Breaker (Sports Club), BCET is organizing a Musical Chair Competition on Wednesday, 18th February 2026 at the BCET Ground for the Academic Year 2025-26. Students interested in taking part are requested to register their names with the Coordinator, Storm Breaker, or their respective Class Representatives at the earliest.

Musical Chair is a fun recreational game in which participants walk around a circle of chairs while music is played, with one chair fewer than the number of players. When the music stops, every participant must quickly sit on a chair, and the player left without a chair is eliminated. One chair is then removed and the game continues round by round until only one participant remains, who is declared the winner. The event is planned with the objective of testing alertness, quick reflexes and presence of mind, and of providing students with an enjoyable break that promotes friendly competition and team spirit. Faculty members will conduct and judge the game, and the top three participants will be awarded.
