**Subject: Seeking Permission to Organize Shot Put Competition**

Respected Sir,

The **Storm Breaker (Sports Club), Bengal College of Engineering & Technology (BCET), Durgapur** proposes to organize a **Shot Put Competition** for the Academic Year 2024-25 at the **BCET Ground (Throwing Area)**, on **Friday, 28th February 2025**.

The Shot Put is a field event in which participants throw a heavy metal ball, called the shot, as far as possible using a pushing motion from the shoulder, while standing inside a marked throwing circle. The distance is measured from the inner edge of the circle to the point where the shot first lands within the sector. The event is planned with the objective of testing upper-body strength, balance and throwing technique, and of promoting physical fitness, discipline and sportsmanship among students. Each participant will be given a fixed number of attempts, with the best valid throw counted, and a throw will be counted as a foul if the participant steps out of the circle. Faculty members will act as judges, and the top three throwers will be awarded.
